Pearson, United States, 2015. Book. Book Condition: New. 6th. 274 x 216 mm. Language: English . Brand New Book. THE definitive book for food safety training and certification Developed by the industry, for the industry, ServSafe(r) is a proven way to minimize risk and maximize protection for foodservice owners, employees, and customers. Recognized as the industry standard, ServSafe(r) offers a complete suite of printed and online products and is the most important ingredient to food safety training and certification success. The ServSafe CourseBook with Answer Sheet Sixth EditionRevised reflects the latest updates from the 2013 FDA Food Code providing the most currentfocus on the preventative measures to keep food safe.With its comprehensive coverage of key food safety concepts, the ServSafe(r) Coursebook Revised will completely prepare readers for the most current ServSafe Food Protection Manager Certification Exam, and, more importantly, it will promote adherence to food safety practices in the workplace. It is the ideal solution for the academic setting, multiple-day training, or individuals in need of more extensive food safety training. Food safety has never been more important to the restaurant industry and its customers.Based onindustry-identified job task analysis, the content in the ServSafe Coursebook goes beyond the principles found in the ServSafe Manager Book and adds greater depth and breadth of food safety practices by featuring expanded sections on food defense, high-risk populations, active managerial control, and crisis management. Food safety topics are presented in a user-friendly, practical way with real-world case studies and stories to help readers understand the day-to-day importance of food safety. MyServSafeLab, an online assessment and learning system, reacts to how students are actually performing, offering data-driven guidance that helps them better absorb course material. With advanced pedagogical features such as personalized study plans, book-specific learning outcomes and objectives, and standards management, MyServSafeLab allows for...
