
Battle Story: El Alamein 1942

By Battistelli, Pier Paolo.

Spellmount. 1 Cloth(s), 2011. hard. Book Condition: New. The turning point in the desert campaign against Rommel's Afrika Korps, the 1942 battles at El Alamein heralded a great victory for the Allied forces in World War II. As Winston Churchill famously noted, "Now this is not the end; it is not even the beginning of the end. But it is, perhaps, the end of the beginning." Illustrated throughout with captioned black and white photos, reproductions of art, and maps, this pocketable history offers an excellent introduction to the battle. It includes timelines, numerous sidebars describing weapons and tactics, orders of battle, and quotes from those who witnessed the fighting. 159.

This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).
