Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Coloring books will never lose their appeal - whether you are a pre-kindergarten toddler to the mature adult who is looking for something simple to play with for a solitary pursuit that provides artistic pleasure. This coloring book has hand-drawn heavy lines to lightly cross-hatched shading to allow the colorist to chose their favorite design, and use their favored media to make brilliant color combinations and shading to create 3-D pieces of fine art and illustration. About 71 percent of the Earth s surface is water-covered and the oceans hold about 96.5 percent of all Earth s water. Scientists are exploring, photographing and researching the ocean and all forms of life in water. This makes a peek into the rich life of the sea an astounding discovery of colors, new sea-life, and amazing wonders, never seen before, using 21st Century technology for armchair visitors to explore the ocean depths from the comfort of their living rooms! The artist has been sketching, coloring, drawing in sketchbooks since age five. After completing 14 coloring books over the...
