Palestine, Israel, and the Politics of Popular Culture (Paperback)

By -

Duke University Press, United States, 2005. Paperback. Book Condition: New. 234 x 152 mm. Language: English . Brand New Book. This important volume rethinks the conventional parameters of Middle East studies through attention to popular cultural forms, producers, and communities of consumers. The volume has a broad historical scope, ranging from the late Ottoman period to the second Palestinian uprising, with a focus on cultural forms and processes in Israel, Palestine, and the refugee camps of the Arab Middle East. The contributors consider how Palestinian and Israeli popular culture influences and is influenced by political, economic, social, and historical processes in the region. At the same time, they follow the circulation of Palestinian and Israeli cultural commodities and imaginations across borders and checkpoints and within the global marketplace. The volume is interdisciplinary, including the work of anthropologists, historians, sociologists, political scientists, ethnomusicologists, and Americanist and literary studies scholars. Contributors examine popular music of the Palestinian resistance, ethno-racial passing in Israeli cinema, Arab-Jewish rock, Euro-Israeli tourism to the Arab Middle East, Internet communities in the Palestinian diaspora, cafe culture in early-twentieth-century Jerusalem, and more. Together, they suggest new ways of conceptualizing Palestinian and Israeli political culture. Contributors. Livia Alexander, Carol Bardenstein,...

Reviews

A brand new e book with an all new point of view. I have got read and i am sure that i am going to likely to read through once more once more in the future. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- ***Ms. Teagan Osinski III***

I actually began reading this article book. It is actually filled with wisdom and knowledge I realized this pdf from my i and dad recommended this publication to learn.
