Createspace, United States, 2011. Paperback. Book Condition: New. 255 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.If you want to learn to understand personal computers, this may not be the only computer book you ever read, but it should definitely be the first. Like a patient friend, The Ultimate PC Primer guides readers with no previous experience into an understanding of key computing concepts through analogies, imaginative stories, and real-world examples. Newcomers won t encounter a lot of assumptions about how much technical jargon they can grasp. Instead, crucial topics are illustrated through comparisons to familiar everyday things. Written by a PC novice turned computer mentor, The Ultimate PC Primer shares his most important lessons learned and provides encouragement at every turn. It will leave you realizing that you don t have to be a computer person to understand personal computing after all.
