Createspace, United States, 2011. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.Long ago, before it was a cult web-toon, Neurotically Yours was an underground comic book. Printed on copiers in the dead of night and stapled together by hand, these comics were virtually impossible to get. Now for the 10th anniversary of Neurotically Yours, these print to order comic books are once again available to the masses. The original cover art has been rediscovered and re-worked for the update. So you will have in your collection, the closest thing to an original copy as possible. (Of course if you just want all the comics you can get them in the Complete Collection graphic novel.) But hey! This one s for the collectors!.
