Let Them Eat Prozac The Unhealthy Relationship Between the Pharmaceutical Industry and Depression Medicine, Culture, and History

Filesize: 5.93 MB

Reviews

A brand new e book with an all new point of view. I have got read and i am sure that i am going to likely to read through once more once more in the future. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Ms. Teagan Osinski III)

LET THEM EAT PROZAC THE UNHEALTHY RELATIONSHIP BETWEEN THE PHARMACEUTICAL INDUSTRY AND DEPRESSION MEDICINE, CULTURE, AND HISTORY

DOWNLOAD

NYU Press. Paperback. Book Condition: New. Paperback. 351 pages. Dimensions: 8.7in. x 5.8in. x 1.1in.Prozac. Paxil. Zoloft. Turn on your television and you are likely to see a commercial for one of the many selective serotonin reuptake inhibitors (SSRIs) on the market. We hear a lot about them, but do we really understand how these drugs work and what risks are involved for anyone who uses themLet Them Eat Prozac explores the history of SSRIsfrom their early development to their latest marketing campaignsand the controversies that surround them. Initially, they seemed like wonder drugs for those with mild to moderate depression. When Prozac was released in the late 1980s, David Healy was among the psychiatrists who prescribed it. But he soon observed that some of these patients became agitated and even attempted suicide. Could the new wonder drug actually be making patients worseHealy draws on his own research and expertise to demonstrate the potential hazards associated with these drugs. He intersperses case histories with insider accounts of the research leading to the development and approval of SSRIs as a treatment for depression. Let Them Eat Prozac clearly demonstrates that the problems go much deeper than a side-effect of a particular drug. The pharmaceutical industry would like us to believe that SSRIs can safely treat depression, anxiety, and a host of other mental problems. But, as Let Them Eat Prozac reveals, this cure may be worse than the disease. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
