Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Pacific Coast Avifauna Number Some Birds of the Fresno District, California, Vol. 9 In presenting this list of the birds of tho Fresno district the author is aware of its incompleteness. In this connection it might be well to state that some fifty success of birds reported from various sources have been omitted entirely for the reason that nothing definite could he recorded in regard to their habits and distribution, or because some doubt existed as to their being correctly identified. More than ten years have elapsed since the first notes for this work were jotted down and in view of the mass of data available it seemed worth while to put on record the result of these years of observation in a region that has been nil but neglected by ornithologists. In looking over such literature as was available the writer has frequently been impressed with the lack of definite dates and other information regarding many of our most common birds. In many eases only two or three nesting or migration dates have been...
