Createspace, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.On September 23rd 1973, five fishermen off Ireland s west coast allegedly caught a mermaid in their nets. And here is the moment when you stop reading. I would not blame you. Except I was there, I was one of them. And I swear the following tale is true. What happened that night, forty years ago unleashed a power and vengeance beyond human comprehension. As we voted whether to keep or throw her back, she shed a tear, closed her eyes and passed away. For our heinous sin against the sea we paid an unholy price. Terrible losses and tragedy befell us all. A poison sea and broken hearts. It was many years before redemption shown itself. I remember it well. Like it was yesterday. The Christmas of 1983 and Van Morrison was singing about a Moondance on the jukebox. For some it was already too late by then, but for those of us whom were spared? Well this is our story. My name is Tom Rogan and I believe in mermaids. Tom Rogan: Drunnamere 12/12/2013.
