Brand New Book ***** Print on Demand *****.NO KNOWN ASTEROID AT THESE COORDINATES IN THE CURRENT TIME FRAME. Sid and Patty Wilson jerked to attention as they looked at the monitor. Had they done it? Had they discovered a new Asteroid? As it turned out the answer was no. No it was not an asteroid. It was not a comet. It was like nothing that any human had seen since the beginning of history. It would prove to be a cosmic visitor that would change everything for the people of the earth. So begins story of Adam. Sid and Patty Wilson were making a routine scan of the heavens in their Nevada observatory in preparation for the upcoming Martian project. They were scheduled to leave for Mars in two years to set up a permanent colony. This night all was going well when suddenly they detected something very unusual. Their equipment had found an unknown object beyond the orbit of Saturn. Originally thinking it was an asteroid or comet buzzing toward the sun, they soon waded into a mystery that would have profound consequences for all the people on earth. The body was traveling fast, very fast. In fact it was moving fast enough that once it swung past the sun it would leave the solar system. What s more this body could not have originated in the solar system. This was no comet or asteroid. It was large, very large. And the most chilling thing about it was that it was heading towards earth. What was it? Was there danger for the people of earth? What should the response of earth do to prepare for it? This is a story that describes a cosmic...
