Nearly 20 years before Jamestown was settled, the English established one of the earliest colonies in North America around the Chesapeake Bay region, until the colony had over 100 inhabitants. Like other early settlements, Roanoke struggled to survive in its infancy, to the extent that the colonys leader, John White, sailed back to England in 1587 in an effort to bring more supplies and help. However, the attempts to bring back supplies were thwarted by the Spanish in the midst of the Anglo-Spanish War going on at the time, and it was not until 1590 that White reached Roanoke again. What White found when he came back to Roanoke led to one of the most enduring mysteries in American history. Despite the fact he had left over 100 people in Roanoke in 1587, White returned to literally nothing, with all traces of the settlement gone and no evidence of fighting or anything else that might have explained the disappearance of the inhabitants. White found the word "Croatoan" carved on a tree nearby, which he figured might mean the colonists moved to a nearby island, but he was unable to conduct a search expedition there. The Spanish also searched for the colony in hopes of wiping it out themselves, but none of the Europeans could find Roanokes colonists or explain what happened to the "lost" colony. The fate...
